All you
need
is love

Dear Jane, dear Joe,

„So beautiful - and over way too fast!“
That's what your wedding guests
thought, and why they came up with a
special surprise: Their very personal
memories. As unique postcards.
Just for you. For one year.
We wish you lots of love!

Your 52memories team

P.S. In case you want to know whose idea
that was, consider asking **Lisa Müller**
